Come Experience the 2017 Total Solar Eclipse with Grizzly Rock Ranch during our 7th Annual Rocking the Winds Benefit Fundraiser

Grizzly Rock Ranch, in partnership with Tactical Solutions International, Inc. will be the Crowheart, Wyoming host for the **2017 total solar eclipse** which will be fully visible from our event area. This is a rare and spectacular event that can only be experienced along a relatively narrow strip on the Earth's surface. In what is being called the **Great American Eclipse**, the Moon will completely block the Sun's bright face for up to 2 minutes 42 seconds, turning day into night and making visible the otherwise hidden, always breathtaking solar corona.

What is totally **AWESOME**, is that the Great American Eclipse will also be occurring during our **7th annual benefit fundraiser and party to support the Green Beret Foundation** (GBF). Come out and support our charity event while also enjoying the total solar eclipse!

The event will again be held at the Grizzly Rock Ranch, in Crowheart, WY 18-21 August 2017. We call this annual event "**Rocking the Winds**" as the live music and festivities rock and echo through the beautiful Wind River Mountains. With the total solar eclipse occurring during the event, it adds a slightly different twist however!

All proceeds from the event are presented to the GBF to help our Wounded Warriors and the families of those who were killed or injured while serving in our US Army Special Forces (Green Berets). Follow us on Facebook for updates and schedule:
