

SEPTEMBER 9, 2017 SKYDIVE4VETS

Jump from 13,000 feet in a freefall tandem skydive to raise money and awareness for veterans with PTSD

Join the Special Forces Association and the Ars Bellum Foundation for our Third Annual SkyDive4Vets. This year's jump honors Operation SPAN 1944, a diversionary jump designed to lead German forces away from invasion points in southern France after D Day. It was the first jump by the First Special Service Force in WWII.

Entry fee for the jump is \$250*. All proceeds from the event will be shared by the Special Forces Association and Ars Bellum Foundation to support programs to help wounded/disabled veterans rebuild resiliency and be more successful in civilian life.

*Discount is available for Airborne members. Call Robert Pike at 715-441-3557 or email blackwidow@presenter.com for details.

Some scholarships may be available for wounded/disabled veterans. Call Bridget Cronin at 651-231-3364 or email at bridget.cronin@arsbellumfoundation.org for availability.
